New Jersey Trackcar Excursions is pleased to announce a 2-day, approximately 130 mile run over the Delaware-Lackawanna Railroad.

Seton will be available on Friday evening from 5:00 pm to 07:00 pm and is highly recommended as we have limited time for seton on Saturday morning.

We will head east on the Delaware Lackawanna RR through beautiful countryside, along the river, through at least one tunnel, past many restored stations through places with names like Tobyhanna, Gouldsboro, Moscow as we head for our turnaround at Slateford Yards. We will make a lunch stop at Tobyhanna. We will make our turn at Slateford yards, and return again through the breathtaking Pennsylvania countryside traveling the route of the Phoebe Snow.

On Sunday we will have a set-on (starting at 7:30AM), with the safety meeting at 8:00 AM. We will run the length of Carbondale Main Line from Scranton to Carbondale Station. There are many crossing on this line so the railroad will be providing flagging at all crossing.

The price of the excursion is \$300. There is a 23 minimum car requirement and a non-mentoring run. If the 23 car minimum is not reached by August 14, 2026 the excursion will be cancelled and all monies returned. As usual, this is a NARCOA insured excursion. All applicable NARCOA rules apply, as well as any others required by the railroad. Safety meeting must be attended as well.

Equipment Restrictions/Requirements: safety vests, hard soled over ankle shoes; hi-rails and heavy cars are with permission only. Radios are strongly encouraged. Cars must be able to be easily turned, and must be reliable. You must be able to maintain 25 MPH on this run. We will be interfacing with train traffic, so breakdowns cannot be afforded.
