

New Jersey Trackcar Excursions

August 13 - 15, 2021 – Delaware Ulster Railroad (New York)

The New Jersey Trackcar Excursions is pleased to announce a 3-day, approximately 118 mile excursion on the Delaware and Ulster Railroad. Please come and join New Jersey Trackcar Excursions on our first excursion on this great old railroad. We will set on at Arkville, NY on Friday approximately at 1:00 p.m.

We plan to operate around train traffic down to Roxbury and back during the day, and also run in the moonlight. What a beautiful run under the moonlight! Camping on site along the beautiful river by the RR is permitted. Last year we built a fire, sat, chatted, and had an open fire barbecue. A light lunch is included on Saturday.

This year we will be doing the familiar run , “up the mountain, down the mountain”, and a night run. There will also be new trackage which the railroad has recently leased from Ulster county.

The event is sponsored by New Jersey Trackcar Excursions. The price of the trip is \$85. Price includes railroad fees camping area use, and lunch on Saturday. There is a 30 car limit for this run. This is a NARCOA insured excursion, and all applicable NARCOA rules apply, as well as any others required by the railroad. Cars and paperwork will be checked / inspected, and those not up to standard may be refused permission to set-on. Safety meeting must be attended as well. This is a mentoring run, with prior permission from the EC. Well behaved children over 10 years old are permitted. As usual, NARCOA professionalism is expected and required on this run.

Equipment Restrictions/Requirements: safety vests, hard soled over ankle shoes. Radios are required. Cars must be able to be easily turned, and must be reliable. Hi-rails are permitted with the following restrictions: FRA and NARCOA compliant.

Come ride with New Jersey Trackcar Excursions and have a great time as we do this excursion!!
